

# I'M PACKING A SUPPLIES KIT! DOES IT GO? MEMORY GAME

This is a memory and repetition game based on the Get Ready Get Safe Disaster Supplies Kit Checklist.

## DIRECTIONS

1. Game may be played with 5-20 participants.
2. This game may be played by children alone, or with the guidance of their parents.
3. After reviewing the purpose of a Disaster Supplies Kit, and the materials that go in it, gather the group into a circle on the floor.
4. Leader introduces the rules by saying:

Today we are going to list what we are packing in our disaster supplies kit all together! I'm going to start by saying "I'm packing a kit, and I'm bringing a..." and then I'll pick something to bring and ask "Does it go?" As a group we'll say "Yes, it goes!" if the item belongs in a kit. If it's not something that should go in a Disaster Supplies Kit, the group can say "No, it doesn't go!"

The next person is going to repeat what I said, and add another item. And the person after that has to repeat what I said, what the next person said, and add yet another item! We'll go around in a circle until it comes back to me, and I have to remember what everyone said!

Remember, we're only bringing things we might need to have for an emergency, so I'm not going to pack anything silly, like my giant bowling ball! If you aren't sure what to bring, ask for a hint.

5. The leader may provide hints and guidance on what is a good item to include.

- "Do you want to bring something to brush your teeth with?"
- "Do you want to bring something to wash with?"
- "Should we pack something fun to do?"

## GAME EXAMPLES

Leader Says: "I'm packing a supplies kit and I'm bringing a FLASHLIGHT! Does it go?"

*The group will say "Yes, it goes!"*

This ends the leader's turn, and the person to the leader's left must repeat what the leader is bringing and add to the list:

*"I'm packing a kit and I'm bringing a flashlight and a BOWLING BALL! Does it go?"*
